

Pinewood School Academy

Personal, Social, Health & Education (PSHE) & Relationships & Sex Education (RSE)

- ▶ PSHE is an integral part of our school's curriculum.
- ▶ Health Education and Relationships & Sex Education became a statutory subject in *September 2020.
- ▶ Both subject areas are taught in conjunction with the other due to the close subject topics and and content.
- ▶ (*An approved delay until Summer 2021 due to Covid- 19)

Six Broad Areas of Learning

- ▶ A broad and balanced curriculum that maximises practical learning wherever possible and appropriate, using the following framework:
 - Self awareness
 - Self- care, support and safety
 - Managing feelings
 - Changing & growing
 - Healthy Lifestyles
 - The World I live in

Key Stage 3 & Key Stage 4

- ▶ In Key Stage 3 pupils build on the knowledge, learning and understanding that they have developed in their formative primary years.
- ▶ The curriculum in Years 7, 8 & 9 also provides new learning and helps to prepare pupils for the opportunities and challenges that they will face as they grow and develop in an ever changing world.
- ▶ During Key Stage 4, this preparation for life continues as the curriculum deepens (where appropriate) the levels of understanding that pupils have already gained at Pinewood.
- ▶ Extending pupils' knowledge ready for the ever closer reality of life after Pinewood by revisiting, re-enforcing and consolidating prior learning, alongside introducing new knowledge, concepts and skills.

Cross- curricular links

PSHE/RSE links are every where in a day in the life of a Pinewood pupil; from discreet lessons to social time in the playground to whole school charity days, and so much more.

However, specific links can be seen in the subject areas listed below:

Key Stage 3:

- Science
- Physical Education (P.E)
- Pinewood Outdoors (P.O)
- Cornerstones Curriculum

Key Stage 4; as above but also:

- Work Related Learning (WRL) that includes Community Independence, Enrichment and Pathways.

Examples of PSHE/RSE at Pinewood
