

Pinewood School

Science Curriculum

Implementation - Topics

KS3

Materials	Water cycle
Seasons	Forces
Animals and humans	Magnetism
Living or dead	Healthy eating
Plants	Human Body
Habitats	Sex Education
Electricity	
Sound	

KS4

Plants
Healthy eating,
Land Maintenance,
Chemical products
Animal care

Science Implementation

Working Scientifically

Predicting what might happen

Asking questions

How long does it take to make compost?

Visiting museums

How tall is my plant?

Impact

Erupting
volcanoes

Which items are magnetic?
