

Pinewood Careers Support

At school you will have the opportunity to follow the

careers programme. This will be done throughout your time at

Pinewood by your teachers and by people who work for different

organisations. You will learn about different careers and your

options for after Pinewood. You will be given support for

your teachers. In Year 9 and Year 11 you will meet a

personal advisor who will help you look at what you

want to do.

If you would like to find out more you can ask your

form tutor to help you.
