

# The Pinewood Careers Programme

# The schools view

Whilst at Pinewood School pupils are taught the skills and attitudes required to enable them to become as independent as they can be and to prepare for adulthood.

We aim for pupils to have an enriched and stimulating curriculum to give them every opportunity to reach their full potential regardless of their gender, race, learning disability or physical disability.

# PROVIDER ACCESS STATEMENT

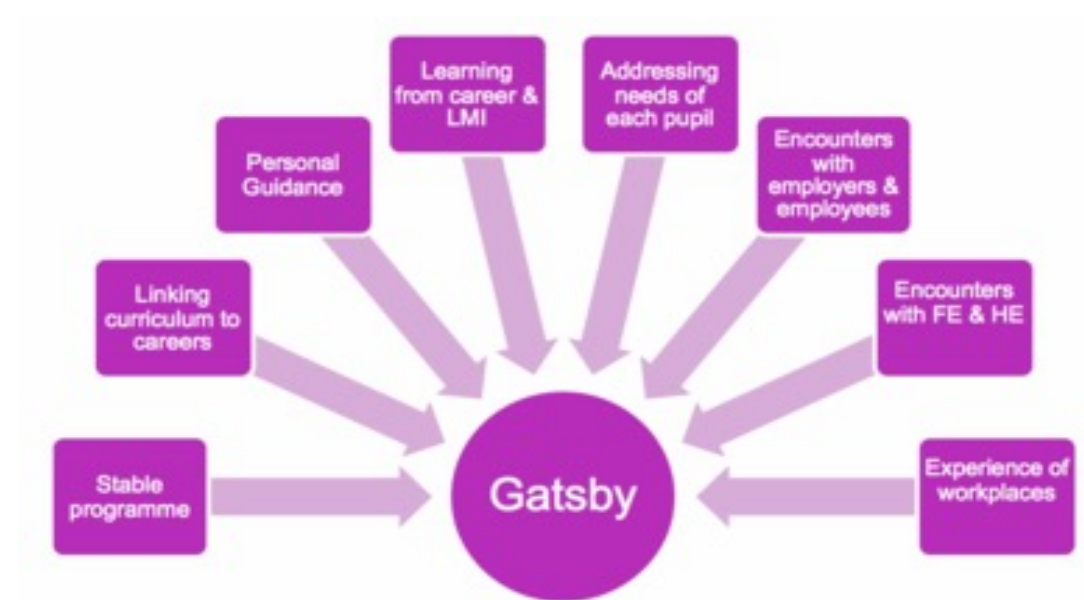

This statement sets out the school's arrangements for managing the access of providers to students at the school for the purposes of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997 and the Baker Clause which is in compliance with the amendment to the Technical & Further Education Act of 2017 which stipulates that: schools must allow colleges and training providers access to every student in years 8 – 13 (Pinewood to Year 11) to discuss non-academic routes that are available to them.

Please refer to our website in our Careers 7 – 11 and Beyond section to read our full Provider Access Statement.

Do you work in a business that could help provide work experience or opportunities for our students? We are always looking for local businesses that are wanting to inspire and educate our students about the world of work and expand and develop our careers programme.

# GATSBY Benchmarks

The Gatsby Benchmarks originated in a research report from the Gatsby foundation in 2013. The research provides a comprehensive study of career development. The report found 8 benchmarks of best practice, which are now more commonly known as 'The Gatsby Benchmarks'. They are:

# Careers Programme

All Hertfordshire pupils will have access the the support of a Personal Advisor from Services for Young People.

A guide to these services can be found on our school website.

All out of county pupils will have access to the support of a Personal Advisor from their Local Authority.

It is also important that the team works with the young person's parents and carers.

The Careers Programme can be found in full on the school website on the Careers 7 – 11 and Beyond page.

# Labour Market Information (LMI)

Every student, and parents, should have access to good quality information about future study options and labour market opportunities.
