

Literacy

Pupils will be reading fiction with a focus on short stories and working towards a piece of imaginative writing for their OCR English Entry level accreditation. Pupils will be improving narrative writing skills, using greater description, a variety of sentence types and interesting punctuation. Next half term pupils will be looking on non-fiction texts such as:

- hard copy or digital newspaper/magazine articles
- letters/emails
- booklet/leaflet/advertisements/charity appeals
- reviews
- autobiographies

Numeracy

This term in Maths pupils will be starting (Year 10) /continuing (Year 11) with the "ASDAN TI Numeracy Progression Course". This will include modules such as:

- Entertaining- making tally charts, taking orders, making drinks and working out costs of items.
- People in my group- sorting and organising by given criteria, calculating ages and ordering using numerical facts.
- Data Handling- completing tally charts, creating charts and analysing data.

Science

In Science pupils will be completing a WJEC module on "Making Useful Compounds". Pupils will be learning about hazard symbols and about acids and alkalis- how neutralisation can make a variety of known salts. They will also be making toothpaste and other useful compounds.

WRL - Community Independence

Pupils will develop an awareness of the risks they could face in the home and when travelling around. It will also help pupils to develop strategies for reducing risk.
