

Literacy

Pupils will continue to develop their speech and language through social interaction in the class setting; Zones of regulation, questions and answers, paired/group work and playing board games. In Phonics we will be focusing on digraphs such as; i.e., ae, 'th' and 'ch' sounds using the Smart Kids Phonics scheme. Pupils will do a weekly phonics word search. Pupils will participate in daily reading activities. Pupils will be reading fiction and non-fiction class books about animals such as 'We're Going on a Bear Hunt' by Michael Rosen. In writing pupils will be working on forming sentences accurately using colourful semantics, enhancing their writing using descriptive words by doing activities such as; taking objects from a mystery bag and describing what they feel like.

Numeracy

Pupils will be counting in 2's, 5's and 10's and looking at patterns in multiplication. They will also be learning about Place Value and 2 digit and 3 digit numbers. Pupils will play maths games weekly to develop their numeracy and social skills. In measure pupils will be learning how to use rulers and reading lengths in cm and metres.

Science

Pupils will be going to the Life Skills flat for two sessions a week where they will be learning how to do different activities independently such as how to use a washing machine, looking at clothes labels and personal hygiene; brushing and flossing teeth, washing hands and using deodorant as part of a healthy routine.

Humanities

Pupils will be learning about pets, having a visit from Kate Clark's pet dog, zoo keepers, camouflage in animals and comparing humans to other animals.

Einstein Class

Spring

Curriculum Overview

Theme: All Creatures

Great & Small

Creative Arts

Pupils will be experiencing a range of musical and creative activities. Einstein class use the Hertfordshire music scheme: Charanga. Pupils will focus on Glockenspiels and explore playing them. Pupils will work as a class and individually to produce pieces of art. Pupils are focussing on line drawing animals using different pencils.

PSHE, RSE

PSHE & RSE: Pupils will be learning about different types of families, relationships in the home and divorce and separation. In RSE we are learning about the Buddhist religion; important symbols, festivals and stories.

RE & Technology

Technology: For the first half-term pupils will be doing textiles work with Mrs George. They will create different artefacts such as; key rings and dream catchers.

PE & Pinewood Outdoors

PE: Pupils will learn about the importance of warming up, stretching and the benefits of exercise. Pupils will have the opportunity to work in the Fitness Suite on the exercise machines such as the treadmill and rowing machine. Pupils will be taught by Miss Rock.
PO: Pupils will be going swimming to Hartham Pool with Mr Huebler.
