

Literacy

Pupils will be working through the ASDAN Developing Communication Skills Progression course. Every week they will have a lesson which focuses on each of the three areas of literacy; speaking and listening, reading and writing. The ASDAN modules being covered this term include:

- In my centre.
- Greeting a visitor.
- Going to a cafe.
- Preparing for an interview.

Numeracy

This term in Maths pupils will be starting (year 10)/continuing (year 11) with the ASDAN TI numeracy progression course. This will include modules such as:
Measure, shape and space.
Position, pattern and sorting.

Science

This term in science we are studying 'Useful Chemical Compounds'. Pupils will be learning about hazard symbols and about acids and alkalis. They will also be making toothpaste and other useful compounds.

WRL - Community Independence

In this topic pupils will develop an understanding of the environmental issues that affect them and the environmental impact of their actions, and encourage them to think about how they can help the environment.
