

Literacy

In literacy our learning focus is expanding sentences in verbally and written form, moving from one to multi word answers. In reading, Class Wonder will be developing their understanding of Phase 2 and Phase 3 phonics in addition to expanding their sight-reading capacity.

Numeracy

In Numeracy this term we will cover the following topics: Multiplicative Reasoning, Number, Measure and Additive Reasoning. We will be learning about: Doubling and halving; sorting and counting objects; Comparison and measure; regrouping the whole.

Science

In science, our focus will be animal classification. We will be learning about the characteristics of animals and how to group them.

Humanities

Geography: In geography, we will learn about human and physical features and create our own maps.
History: In history, we will look at a significant figure - David Attenborough. We will look at conservation and study extinct animals.

Wonder Class

Spring Curriculum Overview

Theme: All Creatures Great & Small

Creative Arts

Art: In creative, our focus will be drawing techniques, texture and animal prints. We will be learning a range of different pencil techniques.

PSHE, RSE

PSHE & RSE: Our focus will be: Different types of families, positive relationships, conflict and conflict resolution, relationship and family changes and how to access support services.

RE & Technology

RE: We will be learning about Buddhism. We will learn the main beliefs and look at some key stories and symbols.
Technology: Wonder class will be learning about how to be safe in the workshop and how to use tools safely. They will design and make their own monster out of wood, using tools such as a coping saw, drill and sand paper. They will decorate their product with a variety of different materials such as fabric, plastic and metal.

PE & Pinewood Outdoors

PE: Wonder are completing an eleven-week swimming course at Hartham Leisure Centre in Hertford.
PO: In Pinewood Outdoors, Class Wonder will be completing a series of countryside dog walks in addition to learning about safety around dogs. Our journeys will include walking around the Amwell Nature Reserve, along the River Lea and walking the Cole Green Way. We will be accompanied by Jet (the black dog) or Topaz (the yellow dog). After February half term Class Wonder will be taking part in a 6week Caving course at Herts Young Mariners Base in Cheshunt.
