

Literacy

We will be following an Asdan Towards Independence accredited course. The course is entitled:
Developing Literacy skills: Introduction

We are using technology to extend our communication. We will be using video calls and phone calls to convey messages and role play making an appointment.

Numeracy

We will be following an Asdan Towards Independence accredited course. The course is entitled: **Developing Numeracy skills: Introduction**

This half term we will be applying our number skills by counting and recording sporting events. We will be collecting data and presenting this in a pictogram.

Science

Our Science curriculum this term is called:
Space and the Planets

We will be learning about the solar system, look at different planets and take part in experiments and practical activities linked to space.

WRL - Community Independence

We will be following an Asdan accredited course.

Activities will involve learning about how where our money comes from/how we earn it and also how we spend it. This will include some work on budgeting and using money in the real world.

Eilish Class

Summer 1

Curriculum Overview

WRL - Pathways

We will be visiting the farm for Summer 1. Please ensure that your child comes to school every Thursday in appropriate clothing that you don't mind getting dirty, with a pair of sturdy boots or wellingtons and a waterproof jacket. Please also supply your child with a pair of clean shoes to change into when they return to school. There is no need for school uniform on these days.

PSHE & RSE

PSHE & RSE: We will be exploring **Families.**

This term we will be learning about different families and parental responsibilities, pregnancy, marriage and forced marriage

WRL - Enrichment

We will be following an Asdan accredited course.

We will be looking at different crafts including papier mache and printing. Activities will include creating an individual item and also working as a group on a whole class project.

PE

PE: PE will be held on Monday's. Please send your child's PE kit in weekly or if you would rather, it can be left in school until half term. The focus will be indoor athletics.

Technology: Eilish class will be learning about how to be safe in the workshop, the properties of different materials and how to use tools safely. They will make their own picture frames using different types of wood, plastic and fabric. They will use tools and machines such as fret saw, coping saw, belt sander and pillar drill.
