

Literacy

We will spend the first half of the term completing our ASDAN Literacy Course and the second half working on a series of mini projects.

Numeracy

We will spend the first half of the term completing our ASDAN Numeracy Course and the second half working on a series of challenges.

Science

We will spend the first half term learning about Space and Planets including rockets as part of their Entry 1 ASDAN LIFESKILL CHALLENGES. In Summer 2 we will be focussing on **Scientific investigation. Planning, fair tests & conclusions** as part of their Entry 1 ASDAN LIFESKILL CHALLENGES.

PSHE, RSE

PSHE & RSE: We will learn about different families and parental responsibilities, pregnancy, marriage and forced marriage and changing relationships.

Be the best you can be"
happy brave independent kind

Key Stage 4

Grey-Thompson Class

Summer

Curriculum Overview

Community Independence

Managing Own Money: We will be learning money management skills including; identifying a weekly income, identifying items to regularly spend money on as well as demonstrating these skills practically using coins and notes appropriately when paying as part of their Entry 1 ASDAN PSD course.

Pathways

Introduction to gardening: We will learn to use gardening equipment safely, identify plants and participate in growing a range of different plants as part of their Entry 1 ASDAN LIFESKILL CHALLENGES.

Enrichment

Introduction to crafts: We will be learning a variety of different crafting techniques and be able to produce one or two different items using a range of craft techniques as part of their Entry 1 ASDAN LIFESKILL CHALLENGES.

PE

Athletics: We will be developing our athletics skills and practising; sprint, relay techniques, shot putt, discus, javelin and long jump.
