

27th January 2025

Dear Parents/Carers

Ofsted Monitoring Inspection - Pinewood School

I am writing to share the outcome of the recent Ofsted monitoring inspection that took place at Pinewood School on the 18th December 2024. This inspection was part of Ofsted's routine process to evaluate the progress we are making since our last full inspection.

We are pleased to inform you that the inspection highlighted areas of progress, reflecting the hard work and commitment of our staff, pupils and wider school community. While the report acknowledges the progress that has been made, the inspection also highlighted areas where we need to continue improving.

We value the feedback provided by Ofsted and are implementing strategies to build on the progress that has been made. As a school, we remain committed to ensuring that every child reaches their full potential. We are working closely with external advisers to address the recommendations made by Ofsted and are confident that we will continue to make strong progress.

You can find the Ofsted monitoring letter on our website <https://pinewood.herts.sch.uk/school/ofsted-report/> and the Ofsted website <https://reports.ofsted.gov.uk/provider/25/141251>

If you have any questions or would like to discuss the inspection findings further, please feel free to contact the school office.

Thank you for your continued support and partnership as we continue to strive to make Pinewood School the best it can be.

Yours sincerely,

Miss T Howarth
Headteacher
