

Literacy

The main focus this term is 'Traditional Tales'. We will be role playing familiar stories, focusing on writing-constructing sentences and discussing different characters/settings.

We will also be doing group and individual reading as well as daily phonics.

Numeracy

Pupils will be learning about spatial awareness; developing spatial thinking and applying key words in the correct context. This will be linked with position and movement.

We will also be focusing on doubling and halving, exploring and representing number patterns.

Science

Science will begin by focussing on forces (mainly magnetism) using a variety of practical activities, before moving on to materials and their classification.

PSHE & RSE

Coverage will involve building relationships and exploring and reinforcing self-worth, and creating and maintaining boundaries before moving on to financial decision making.

Geography: Pupils will continue to embed atlas and mapwork skills as well as compare a UK and non-European country.

History: Pupils will explore the history of space exploration, including the lives of significant people such as Neil Armstrong as well as the space race.

RE: Pupils will explore how religions encourage their followers to look after the world, as well as thinking and discussing the 'big questions'.

Kahlo Class Curriculum Overview

**Summer Term Theme:
'To Infinity and Beyond!'
Miss Stanley**

Music & Drama

The skill being developed in drama sessions this term is "re-enactment", using a variety of historical and fictional scenarios. Music lessons will consist of creating beats using both instruments and software.

Art

Pupils will be exploring and developing a range of technical skills and exploring processes such as papier mache.

Technology

Pupils will be working on extending their technology knowledge, using a range of different devices such as chromebooks and the interactive whiteboard with more confidence and independence

After half term, pupils will be engaging in various cooking experiences, such as using the air fryer to make a jacket potato, making kebabs or baking tarts.

Mindfulness

Students will continue to follow a bespoke mindfulness timetable for 25 minutes after Lunch.

Monday: Music Meditation, Tuesday: Reading, Wednesday: Mindfulness Exercise, Thursday: Colouring/Drawing and Friday: Social Games.

Communication

Pupils will continue to explore and discuss a range of themes to help support their ability to organise and share their ideas.

PE

The PE focus this term will be on a range of athletic activities, such as track events, relay races and throwing events such as shot put and javelin. The second half of the summer term will involve striking games, such as rounders and cricket.

Pinewood Outdoors

Pupils will continue their outdoor pursuits by participating in archery and cycling.
