

### Literacy

ASDAN: Developing Communication Skills:  
Reading in the community & every day writing.

Learners locate and explain signs in school and the wider community.  
In every day writing pupils will create and use lists in addition to writing cards.

### Numeracy

ASDAN Modules: Going Shopping & Using a Clock.

Learners explore number from a shopping context: Counting people in their group, items to purchase as well as locating and using numbers to navigate aisles in the shop.

### Science

This term we are looking at different animals and their body parts.  
We will be identifying the anatomy of these animals.

This is all part of their Life Skills Challenge.

### Pathways

ASDAN Module: Community Action

Learners explore who we go to for help at school and in the wider community.  
Pupils identify situations when help is needed and show how to request help.

#### Community Independence

ASDAN Module: Managing Own Money

Learners explore regular income, and regular purchasing.

Pupils also demonstrate using coins and notes to make their own purchases.

## Eilish Class Autumn Curriculum Overview

### Enrichment

This term Eilish class will be learning various aspects of gardening.

This will include parts of a plant, where to buy seeds and plants and how to plant a seed or bulb.

We aim to go to a garden centre to compliment our lessons.

### Communication

Pupils will develop communication skills, using colourful semantics to form simple sentences using visuals and role-play. They will apply their communication across school and community settings.

### PSHE & RSE

#### Building for the future:

- *Self-efficacy*
- *Stress management and*
- *Goal setting/ future opportunities.*

### PE

Pupils will learn about:

**Communication & Cooperation Games**, focusing on listening, teamwork and independence.

Pupils will also learn about: **Balance & Movement** exploring balance, body awareness and independence.

### RE

Eilish class will be re-capping on prior learning of the main beliefs.

We will look to visit different places of worship to make links with understanding.

### Food Tech

This term we will be cooking different types of breakfast and lunch, linking them to nutrition and the "Eat Well Guide".

We will also be working towards various food related AQA Unit Awards.
