

### **English**

In English we are working on our basic literacy skills. We are looking at the different parts of a front cover, as well as being able to identify the characters within a story. We are also looking at our target market for different styles of writing such as cards and books.

### **Maths**

Over the term we will cover a range of mathematical skills. We will begin with number in which we will explore number facts as well as exploring a range of concrete resources to support, such as numicon. We will explore length in a range of hands on, practical ways. After half term we will look at additive reasoning, where we will compare, separate and combine amounts, finishing the term with 2d and 3d shapes.

### **Science**

We have started the term by exploring human anatomy and naming the parts of our body. Following this we will explore offspring that will grow into adults, as well as healthy lifestyles. After half term our focus will be on living things, their basic needs, as well as plants and their habitats.

### **History**

History coverage will focus on local history and changes within living memory, beginning with the history of Pinewood School.

### **Geography**

Geography this term will focus on exploring where we are. We will be looking at our local area as well as seeing if we can name and identify the countries in the UK.

## **Picasso Class**

### **Autumn**

## **Curriculum Overview 'Exploring my World'**

### **RE**

We will be exploring Christianity and Judaism. We will begin by looking at our own beliefs and morals before looking at Christian and Jewish places of worship.

### **Art**

Art this term will focus on ourselves and our experiences, through creating self portraits.

### **PSHE & RSE**

Our main focus during the Autumn 1 term will be on transition, wellbeing and safety, including basic first aid.

During Autumn 2 our coverage will be centred around developing teamwork skills and working together as a class group.

### **Drama**

The main skills we will work on in drama this half term will be improvisation, (through role play) and drama games. We will be working on our communication skills within the classroom.

### **Music**

Music sessions will allow us to explore some of the technical aspects of music, such as rhythms, bars, staves before moving on to finding out about the origins of music.

### **PE**

PE will initially focus on invasion games, enabling pupils to build basic ball skills as well as developing their ability to work as part of a team. There will also be a focus on the importance of physical activity, warming up and stretching as part of a healthy lifestyle.

### **PO**

Pupils will be learning about safety when learning outdoors, team work and orienteering skills.
