

### English

This term we will be focusing on speaking and listening skills, and sentence structure using colour semantics.

### Maths

We are working towards an EDEXCEL functional skills award. The topics will be focusing on this term are:

- Describe and make comparisons in words between measures of items including size, length, width, height, weight and capacity
- Properties of 2d and 3d shapes

### Science

This term's topic is Chemical Compounds. Students will be working at Entry 2 including learning about acids and bases that react to make named salts, hazards associated with chemicals, identifying key items of laboratory equipment and using simple laboratory equipment safely under close supervision.

### WRL- Community Independence Managing own money

Students will be developing their money skills in their Personal and Social Development qualification by identifying income and regular expenses, using coins and notes to pay, giving and receiving change through practical activities and real-life shop experiences.

### PSHE & RSE

We will be covering topics around core values and emotions, different types of feelings (sexual/ nonsexual), expression and how to effectively communicate with others.

## Class Cox

### Spring Curriculum Overview

### WRL - Enrichment

We will be following an ASDAN accredited course in craft activities.

### Pathways

**First Aid** - Pupils will be following the syllabus for an Outdoor First Aid scheme of work.

They will be looking at managing a casualty, primary and secondary assessments, CPR, control of bleeding and a range of different medical emergencies.

### PE

We will be learning about Movement and Target Games. Lessons will focus on developing key skills such as coordination and teamwork, helping pupils build a strong foundation that supports participation across a range of sports.

### Food Tech

Pupils will be cooking different types of dinners, linking them to nutrition and the "Eatwell Guide". Later in the term we will be making desserts. Pupils will also be working towards various food related AQA Unit Awards.
